

Partners Perinatal Mental Health Peer Support Worker and Champion

Have you recovered from mental health difficulties after the birth of your baby or supported your partner through her own maternal mental health problems?

Are you passionate about helping other dads/partners across Birmingham and Solihull who are experiencing perinatal mental health distress?

This new and innovative role has been developed specifically for dads/partners who have lived experience of mental health problems during or directly following pregnancy. Through sharing wisdom from your own experiences, you will help to instil hope and the knowledge and belief that recovery is possible.

You will work closely with Acacia and the specialist perinatal community mental health teams in Birmingham to help establish and develop dads/partners perinatal mental health services.

- The full time, 40 hours per week.
- £24,000 per annum plus 5% matched pension contribution
- Contract is fixed term initially for one year.
- Involves travel around Birmingham
- Closing date for application is Midnight on 22nd February 2021.

In light of the nature of this role, there is a Genuine Occupational Requirement (GOR) that the role is undertaken by a man (in accordance with Para1, Schedule 9 of the Equality Act 2010).
